WELCOME TO GEN CON 50

50 years. Five decades. Half of a century. This year, Gen Con celebrates its history, as well as the history of gaming itself. A small gathering of war gamers in 1968 has grown into a global gathering of tens of thousands of attendees from every state and more than 60 countries. What began as a passion of Gary Gygax and his family has erupted into a celebration that spans city blocks, taking over an entire convention center, expanding into a NFL stadium, and throughout the city itself.

Despite this massive shift in scale, Gen Con remains a proud champion of games. No other place on earth will have 19,000 events and more than 500 gaming exhibitors. Attendees will arrive to play the games that they've loved for years, and yet, hundreds of new games will get discovered by others. Gen Con is home for all gamers.

This year I invite you to take some time to wander through the Gen Con museum that we've put together on the 50-yard line of Lucas Oil Stadium. We've recreated the footprint of the very first Gen Con held in Horticultural Hall to pay homage to half a century of gaming and the iconic eras that have shaped our industry. I offer my thanks to the many collectors who were so very gracious to allow us access and use of their collections, as well as Jon Peterson for running point with our very own Peter Adkison on coordinating the experience.

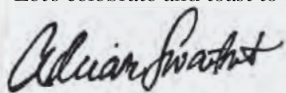

While the scope of Gen Con may have changed dramatically, it has always and will always be about you. It's your love of games and welcoming nature, the same traits that drove Gary Gygax, that continue to fuel the growth of Gen Con. Each Gen Con is a tremendous opportunity to reconnect with old friends, meet new ones, and remind ourselves of the joy that games bring.

Please accept my humble gratitude as this will be the last Welcome Letter I write for the Gen Con community. While Gen Con 50 looks back at a history of gaming, I'm looking forward to the future of the convention as well as my own future. I will retire after this convention, enjoying personal time to travel and pursue new interests.

Don't worry, though! You're in great, capable hands with Gen Con's new president, David Hoppe. It has been my pleasure working with David these past few months, preparing for Gen Con 50. A veteran of the game industry and gamer himself, he is going to do great things for Gen Con, and I look forward to seeing the convention continue to flourish.

I would like to thank Peter Adkison and the Gen Con board for being given the opportunity to lead this most amazing of cons, as well as to thank the Gen Con staff, Captains and Deputies for their effort and loyalty. Most importantly I want to thank you, our wonderful attendees, for your passion and continued support.

Let's celebrate and toast to 50 more years of Gen Con!

IMPORTANT INFO

GEN CON BADGES

WHY DO I NEED A BADGE?

Everyone attending Gen Con (excluding children ages 8 and under) must wear a valid Gen Con badge at all times for identification while in the convention center and surrounding hotels and during game play/events. A badge will allow you admittance into the Exhibit Hall, Art Show, Anime events, seminars, and other events happening in public areas during the convention. It is also needed to purchase tickets for events. Badges must be visible at all times to assure staff and security of your eligibility to participate in the show. (Gen Con does not offer parent badges, shopper badges, or other types of limited-access, discounted badges).

CHILDREN 8 & UNDER

Children, ages 8 and under, are admitted for free when accompanied by an attending adult and must be registered in the Gen Con children's log for security purposes. They are not required to have a badge unless they will be participating in an event that requires an event ticket. Come to the Customer Service or Badge Registration kiosks to register your child and provide us with your contact information in case you and your child are separated. You will receive a wristband which must be attached to your child's wrist while in the convention center and surrounding areas where you are participating in Gen Con events. All children must be accompanied at all times by a Parent or Guardian with a valid badge. Children ages 9 and above are subject to standard badge pricing.

PAYMENT

Gen Con accepts cash or credit card (Visa, MasterCard, Discover, and American Express) as payment. Checks and money orders are not accepted at any time. A 10% admissions tax will be charged on all badge purchases, in compliance with Marion County laws.

REGISTRATION POLICIES

**For onsite refunds or exchanges, please visit the Customer Service kiosks.*

BADGE REFUNDS/EXCHANGES

The last day to receive a badge refund was June 19, 2017. Badges are non-refundable and non-transferrable after the deadline.

EVENT TICKET REFUNDS/EXCHANGES/CANCELLATIONS

Event-specific ticket refunds/exchanges must be requested at least 30 minutes prior to the start of the event. All refunds will be managed at the Customer Service kiosks and will be refunded to the purchaser. All ticket refunds are subject to a 5% administrative fee for the total sum of tickets refunded. A valid government-issued photo ID and a Gen Con 50 badge are required to process any type of ticket refund or exchange. All refunds will be credited back in the original form of payment. For ticket exchanges, please present the ticket for the event you would like to exchange and provide the Game ID number for the event you wish to purchase.

If an event has been cancelled, please see a nearby Event HQ for further instructions. **No refunds will be given for cancelled events without a stamp or signature from the area's Event HQ.** The last day to receive a ticket refund is 4 pm on the Sunday of the convention.

GENERIC TICKET REFUNDS

Generic tickets are only refunded to system credit. There is no cash or credit card refund for generic tickets. System credit is non-refundable, non-transferrable, does not expire, and can be used to purchase badges or tickets for any future Gen Con. All ticket refunds are subject to a 5% administrative fee for the total sum of tickets refunded. Ticket refunds will be managed at the Customer Service kiosks and will only be refunded to the purchaser. A valid government-issued photo ID and a Gen Con 50 badge are required to process any type of ticket refund onsite. The last day to receive a generic ticket system credit refund is the Sunday of the convention, no later than 4 pm.

LOST OR MISPLACED BADGES & EVENT TICKETS

Gen Con cannot replace lost, stolen, or forgotten badges or event tickets. Lost, stolen, or forgotten items must be repurchased at full cost. It is recommended you check with the Gen Con Show Office in **Room 112** of the convention center to see if your materials have been turned in to Lost & Found before buying new materials. Gen Con LLC assumes no responsibility for lost, stolen, or forgotten materials. To repurchase your items, go to the Customer Service kiosks in the Main Registration area.

If your shipment is confirmed to be lost by the USPS, Gen Con will replace your convention materials at no cost to you. Gen Con cannot replace items that have been delivered.

REGISTRATION & CUSTOMER SERVICE

WHAT IS REGISTRATION?

Registration covers all processes associated with attending the convention, obtaining badge credentials, and purchasing event tickets. Registration offers four services: Event Registration, Customer Service, Special Services, and Will Call. The "Main Registration" kiosks are located in the convention center's Wabash-East Concourse near the Maryland Street entrance. There are also a few remote Event Registration sites, located in Hall A, Hall C, and the JW Marriott. Each service area is clearly marked for your convenience.

EVENT REGISTRATION

Event tickets can be purchased onsite at the Event Registration kiosks located in the convention center's Wabash-East Concourse near the Maryland Street entrance or at Event Registration kiosks in Hall F and the Marriott (Indianapolis Marriott Downtown, 350 West Maryland Street). See the Area Hotel Maps for specific locations. Gen Con accepts cash and all major credit cards (American Express, Discover, MasterCard, and Visa). Gen Con does not accept checks or money orders.

CUSTOMER SERVICE

Refund and exchange requests or questions regarding the convention or show policies can be directed to Customer Service. These kiosks are located in the convention center's Wabash-East Concourse near the Maryland Street entrance. Refunds or exchanges will *only* be processed at the Customer Service kiosks. Event-

specific ticket refunds/exchanges must be requested *at least 30 minutes* prior to the start of the event. All refunds will be issued back to the purchaser of the original ticket(s).

SPECIAL SERVICES

This kiosk is located next to the Customer Service kiosk. Disabled patrons may use this kiosk for their one-stop registration needs. Will Call pickup, badge and event ticket purchases, and refunds or exchanges can all be made at this location. Customer Service will also have special wristbands to alert staff and event team members that the bearer may need additional assistance (i.e. limited waiting in line, etc.). A wristband is required in order to receive special assistance.

Parents may also use this kiosk if they have already purchased a badge but need to obtain a child wristband.

WILL CALL

If you purchased a badge or event tickets during Pre-Registration and selected Will Call as your shipping method (or if you purchased items online after Pre-Registration closed), you may obtain your items at the Will Call kiosks, located in the convention center's Wabash-East Concourse near the Maryland Street entrance. You will need to present a valid government-issued photo ID in order to obtain your packet. Small children with no photo ID must be accompanied by a parent or guardian with a valid ID in order to pick up their packet. Please keep in mind Will Call lines and wait times may vary.

CHILD REGISTRATION

All children ages 8 and under must be registered at either the Badge Registration or Customer Service kiosks. Registering your child provides the Security Team with contact information in case you and your child become separated. Be sure to register your child and pick up a child wristband when you arrive at the show.

INDY WELCOME

Aug. 17-20, 2017

Welcome to Gen Con 50!

After a half century, "The Best Four Days in Gaming!" is about to be the biggest and best it's ever been, and all of Indy is delighted to be sharing this momentous occasion with you.

If this is your first time attending, you chose an incredible year to start! And if you're one of the tens of thousands of gaming veterans who return year after year, know that we have been working hard to make this year extra special.

Don't miss the big anniversary party on Georgia Street featuring the much-anticipated Sun King Brewing official beer, as well as the concert at Bankers Life Fieldhouse.

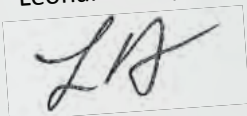

The gaming action is expanding this year for the first time onto the playing field of Lucas Oil Stadium, adding to this world-class facility's distinguished resume of competition. This incredible venue hosted the Super Bowl XLVI, the 2013 International Champions Cup, and the 2015 NCAA Men's Final Four, and annually hosts marching band national and world championships.

If Gen Con's 16,000+ official events aren't enough to keep you busy, you'll find all your favorite hangouts plus new restaurants and attractions ready to entertain. Artsy mini-golf revamped and returned to the Indianapolis Museum of Art. The Indianapolis Zoo opened Magnificent Macaws, and the Eiteljorg Museum is celebrating Dogs: Faithful and True.

Game at Punch Bowl Social. Start your day with Jack's Donuts near Monument Circle. Or grab a Pacers Bikeshare and head to our notable neighborhoods featuring new dining hotspots like The Garden Table, Fat Dan's Deli, Salt on Mass, Kaffiene Coffee, or The Livery along Mass Ave.

There are endless reasons *Travel + Leisure* named Indy one of the "Best Places to Travel in 2017." We hope you'll discover some of them during your 50th convention. Our entire community is ready to welcome you and make sure you really do have the best four days possible!

Warm Regards,
Leonard Hoops

We are a group of people who love board games and enjoy creating entertainment for players like we are. Back in 2006, we worked together on the first edition of *Through the Ages*, and we decided that this is the work we want to do for a living.

In 2007, CGE was founded and the first released board games under this brand were *Galaxy Trucker* by Vlaada Chvátil and *League of Six* by Vladimír Suchý.

Since then, we have produced and published almost 40 games and expansions, including *Codenames*, *Alchemists*, *Dungeon Lords*, *Tzolk'in*, *Last Will*, *Space Alert*, *Dungeon Petz*, *Tash-Kalar*, and others.

In 2014, we expanded into the realm of digital board games, with the implementation of *Galaxy Trucker*. Now, the digital team works on the apps for *Through the Ages* and *Codenames*.

Focused on publishing the games of Czech and Slovak authors such as Vlaada Chvátil, Vladimír Suchý, and Matuš Kotry, we have also cooperated with authors from Croatia (Filip Neduk), Italy (Daniele Tascini, Simone Luciani) and US (Scot Eaton).

We are a small company, but thanks to our partners around the world, you will find our games in over thirty languages.

MARKETING FELLOWSHIP RECIPIENTS

Entrepreneurs' Avenue features small businesses joining the Gen Con Exhibit Hall for the first time. Stop by and support these fine exhibitors as they unveil innovative new products for gamers of all interests!

Each year, Gen Con awards six merit-based Marketing Fellowships to new exhibitors that will participate in Gen Con's popular Entrepreneurs' Avenue. As recipients, these companies enjoy a complimentary booth upgrade. Check out the Marketing Fellowship winners below and other residents of Entrepreneurs' Avenue in the Exhibit Hall. Be the first to get a glimpse of what they have to offer and be sure to share with your fellow attendees where they can get their own new games or other great findings!

Dimension Games is a new game studio founded in the state of California, with regional offices in both Los Angeles and Beijing. They are intensely committed to high-quality, immersive games, specializing in deep worlds with plenty of room to explore. In 2016, their crowdfunding campaign made their first game, Deep Madness, a reality, raising an astounding \$1.4 million dollars!

Deep Madness is a cooperative board game for 1-6 players steeped in Lovecraftian horror and set in a science fiction world deep below the sea. Featuring incredibly detailed miniatures, Deep Madness also has some unique gameplay mechanics - including the ability to drown. Game sessions take place across a number of scenarios that each makes up a chapter in an overarching story, as players take on the roles of investigators sent to unravel the mysteries of a deep-sea mining facility that has suddenly gone deathly silent. Deep Madness is a game that will test your limits as a gamer, and the sanity of your whole gaming group.

In addition to Deep Madness, at Gen Con, Dimension Games is showcasing some of the new game concepts they've been working on, including a potential follow-up to Deep Madness.

Roxley is here to "dominate the world" through board games that are innovative, addictive, beautiful, robust, polished, and replayable. Their titles Super Motherload, Steampunk Rally, and Santorini have won the Canadian Game Design of the

Year award, the international Ciutat de Granollers award, multiple Dice Tower Seals of Excellence, and have crowdfunded over a million dollars since 2015. Upcoming projects include the new edition of legendary designer Martin Wallace' classic economic game Brass, and its all-new sister game Brass: Birmingham; Sails to Steam by Matt Tolman; expansions for existing Roxley titles and much more.

Roxley games are available worldwide via your local game store or directly from roxley.com, and more will be coming to Kickstarter in the near future. Roxley works to provide thorough game reviews and descriptive videos in advance of crowdfunding. Their Kickstarters have been praised as having a sense of community, with interactive contribution, detailed updates, timeliness, and proven accountability.

Roxley is based in Calgary, Alberta, where Director Gavan Brown leads a core team featuring some of Canada's best designers, developers, graphic and visual artists, video professionals, and gaming ambassadors.

Pandasaurus Games is a board and card game publisher known for games that are as uproarious and addicting as they are visually stunning. Husband/wife duo, Nathan McNair and

Molly Wardlaw, started it all in 2012 as a plea to bring attention to a beloved title, Tammany Hall. The magical world of board game publishing proved too intoxicating to stop with just one game, and today Pandasaurus is the proud home of hits such as Machi Koro, The Game, Cat Tower and StarFall. Games in the current and upcoming catalog feature game designers and artists from across the globe ranging from Germany to the United States to Japan to Australia and beyond.

2017 marks new frontiers for Pandasaurus and the soon-to-be released titles are sure to be jaw dropping. First up is the post-apocalyptic pick-up and deliver that already has critic's tongues wagging, Wasteland Express Delivery Service. Other titles include the odd-ball, nostalgic beauty, Dino Island and Japanese critical darling, Minerva. This year will also hold some of the most out-of-the-box, eyeball grabbing designs the industry has ever seen. But some secrets are worth keeping. Keep your eyes peeled for what they are featuring at Gen Con 50!

Entrepreneurs' Avenue Booth #XXXX

Keymaster Games is an indie game developer and publisher in Athens, Georgia. Their mission is to bring games with captivating experiences and elegant designs to the table. They kickstarted their first game

Control in 2016 raising \$73,615—almost 1000% of its funding goal! In this small card game, you are a time traveler fighting to escape a rupture in spacetime. You must tactically refuel your time machine while stopping other players from refueling theirs first. Will you escape?

They have even bigger plans for 2017. Keymaster Games kickstarted Campy Creatures, which is releasing here at Gen Con 50. Each player is a mad scientist in need of precious mortals for future experimentation. Instead of getting your hands dirty, your army of Campy Creatures is here to do your bidding. It's a wild rumpus for 2-5 players as you try to use your creatures wisely and guess what other players are going to do. To find out more about Keymaster Games and how to get your copy of Campy Creatures, head over to www.KeymasterGames.com.

Quined Games was founded by two Dutch brothers, about 12 years ago. They acquired the Dutch rights to games such as Caylus, Pandemic, and Keyflower. As their business started

to pick up steam, original games were developed; like Carson City, The Golden Ages and most recently Papà Paolo. As an experienced boardgamer might deduce from this list, Quined Games focuses on medium to heavy German (Euro) style games with a hint of player interaction incorporated in the design.

They have already premiered their first 2017 release. In April, they released La Cosa Nostra, a mafia themed game with a lot of interaction and bluffing. They also have at least two more releases planned for 2017. They are looking forward to meeting their US-based fans here at Gen Con 50!

Entrepreneurs' Avenue Booth #XXXX

Prodos Games is a young, fast-growing enterprise in the miniature wargaming world with an inventive team of enthusiastic hobbyists from the UK, USA, and Poland eager to apply their varied skills to create the finest miniatures, most exciting games, and thrilling stories. In their first year alone, they have released two successful projects, each with a huge range of 'Procast' miniatures, on Kickstarter in the form of Mutant Chronicles: Warzone Resurrection and Aliens vs Predator: The Hunt Begins. 'Procast' miniatures are sculpted by talented 3D designers, prototyped with cutting edge technology, then created by a team of model making craftsmen using a variety of innovative methods and techniques to capture detail and eliminate air bubbles.

For the 17th consecutive year, the Diana Jones Award for Excellence in Gaming celebrates everything that's the best about gaming! That can mean a game system or supplement, a magazine, a company, a designer, an event or convention, or any other entity that shows gaming at its absolute zenith.

The announcement of the Diana Jones Award winner is one of the first events at Gen Con. During the months before the show, the Diana Jones Award Committee — a mostly anonymous group of gaming alumni and illuminati from around the world — begins discussions about the best and brightest from adventure gaming in the previous year. After much playtesting, discussion, and voting, the nominations are whittled down to a shortlist, which is the cue for more discussion and voting until a single winner is declared.

At a private event held the Wednesday before Gen Con begins, winners receive the traveling Diana Jones Award trophy, a perspex pyramid containing the burnt remains of the last unsold copy of TSR's *Indiana Jones RPG* from 1984. To find out why the trophy takes this unusual form, visit DianaJonesAward.org.

The award was set up in the year 2000 with the first trophy given out at Gen Con 2001.

The items on this year's shortlist are:

- *The Beast*, a card game by Aleksandra Sontowska and Kamil Węgrzynowicz, (Naked Female Giant)
- *End of the Line*, a LARP by Bjarke Pedersen, Juhana Pettersson and Martin Elricsson
- Gen Con, a gaming convention.
- *Gloomhaven*, A board game by Isaac Childres (Cephalofair Games)
- *The Romance Trilogy*, role-playing games by Emily Care Boss (Black & Green Games)
- *Terraforming Mars*, a board game by Jacob Fryxellius (published by Fryxgames)

Special thanks to the sponsors of this year's Diana Jones Award ceremony:

Cabinet Entertainment, Chaosium, Chaldea (Peter Adkison's film company), Darker Hue Studios, Matt Forbeck, Anthony Gallela, Game Trade Media, Gamehole Con, Gaming Paper, Gen Con, Green Ronin, Learn LARP, Maggie Games, the Onyx Path, Pelgrane Press, Pinnacle Entertainment Group, ProFantasy Software, Renegade Games, Janice Sellers, and Ultra PRO.

To discover who has won the 17th annual Diana Jones Award, stop by the Gen Con Info booth or visit DianaJonesAward.org after the convention!

David started playing Avalon Hill's Blitzkrieg in about 1967 and eventually fell into David Arneson's basement Napoleonic Campaign in 1968 (he is the Emperor of Austria, so treat him accordingly..). He designed Dungeon! in the Fall of 1972 (Oct) after almost being drafted into the U.S. Army in the previous September (they threw him out as he was too skinny). He worked briefly for TSR in 1976 as Treasurer and did programming for video consoles (Colecovision) in the 1980's but ultimately became a software tester in the medical and process control industries. He is now retired and is exploring his re-entry into the gaming world as a game designer.

BILL MEINHARDT

Since Bill's mom vetoed visiting GenCon 10 at the Playboy club when he was eleven, he's been to every GenCon since. At sixteen he decided RPGs "belonged in a museum" and resolved to preserve the best copy of every FRP item ever printed in English. Forty years later, his collection of 11,000 different items, including hundreds of rare manuscripts, tournament adventures, and unique pieces, truly is a museum.

Bill is married to Susan, who lovingly indulges his collecting. They have a boy and girl, ages nine and seven, who also love adventure gaming. They live in the Chicago suburbs.

He did a bunch of stuff over the years including an international awa... wait, but its the games you're interested in, isn't it? Well in that case we should mention Vampire: The Masquerade and the whole World of Darkness line, everyone seems to love that

bit. Also Ars Magica and Democracy and a Star Wars Book called Tramp Freighters, as well as the brand new VAMPIRE: The Masquerade 5th edition, and a Vampire board game called CONCLAVE.

They formed themselves into the Lake Geneva Tactical Studies Association (LG TSA) and Mike found himself helping set up a wargaming sand table in the basement of Gygax’s house. Meanwhile Mike was developing skirmish rules for WWII and moderns. With Gary’s support and encouragement, and the aid of Leon Tucker, they began developing a set of WWII and modern rules for armored warfare. 24-page game called *The Extraordinary Adventures of Baron Munchausen*. This year he has three new RPGs: the third edition of *Baron Munchausen*, now 144 pages; the all-new reboot of *Paranoia*; and an odyssey through a nightmarish casino city, *Alas Vegas*. Letter, Smash-Up, Mystic Vale and many other fan favorite games. He loves games but his favorite part about making them is the people he gets to work and play with. He is most proud of his staff and AEG alumni who now make their living in the gaming industry or real world.

Every year we focus on new techniques and grow as a group to help expand knowledge. What sets us apart from the rest is the amount of personal time we spend with each person in our lessons. DARCY ROSS

Creature-feature mad-scientist by day, gamer by night, Darcy geeks out about science, snails, and squicky creatures as much as she does RPGs, and often enjoys the beautiful cross-pollination between the two. She got hooked on GMing via the weird science-fantasy setting Numenera, powered by the Cypher System, about which she co-hosts a podcast: Cypher Speak. She writes articles for Gnome Stew,

focusing largely on interviews and signal-boosting exciting creative projects that could use the support of the community/backers. Darcy has enjoyed three years of working with ConTessa to support and highlight women-identified folks in gaming, and now many more groups of people. Darcy loves bringing new people to tabletop gaming, and encouraging first-time folks to create, GM, and lead. She is currently playtesting a LARP called "An Empty Page."

AMBER SCOTT

Amber E. Scott began her career writing for *Dragon* and *Dungeon* magazines more than a decade ago, and has since contributed to the official Dungeons & Dragons line, the Pathfinder Roleplaying Game, and many other games. Her upcoming book, *Pathfinder Adventure Path #115: Trail of the Hunted*, marks her fourth contribution to the Pathfinder Adventure Path line. LIZ SPAIN

Liz applies current principals of behavioral science to sell cardboard. From lead game design on products such as the *Betrayal at House on the Hill: Widow's Walk* expansion to the *Pathfinder Adventure Card Game*, she specializes in weaving rich themes into the game experience. Over the past decade, Liz has worked in a number of roles freelancing for game companies such as Harebrained Schemes, Flying Frog Productions, and Aesterlight Studios.

She once took on the mad task of becoming her own board game publishing company with a steampunk exploration game called *Incredible Expeditions*. Today, Liz is the Card Shark for Lone Shark Games, designing mechanics for new games such as the *Apocrypha Adventure Card Game*. She is also a leading expert in designing games for dogs.

Working at two manufacturers and consulting for both game companies and inventors, she has had a hand in the game design, art direction, development and production of 100+ games, with her most recent game designs *Betrayal at House on the Hill: Widow's Walk* and multiple *Geek Out!* variations coming out in the last few years. Girls on Games: A Look at the Fairer Side of the Tabletop Industry and continues to help the industry move forward in intersectional inclusivity. He's especially proud to have shepherded development of the world's first fantasy campaign setting - *Dave Arneson's Blackmoor* - working alongside its storied creator until his passing in 2009. C.A. has also written for board games, hobby periodicals, and fiction. He is a long-standing member of the Academy of Adventure Gaming Arts and Design (GAMA), jury foreman for the annual *Origins Awards*, and a regular guest at hobby and fandom cons around the world, including a two-time Guest of Honor at *DragonCon*. These days, he's Creative Director of *Make Believe Games*, where he is creator and line developer of its new *Cthulhu Mythos* roleplaying game *Sigil & Sign*.

JAMES WALLIS

James Wallis has changed the games industry twice. In 1995 his company *Hogshead Publishing* proved that a European RPG producer could compete on equal terms with North American ones; and in 1998 he started the indie story-game revolution by accident, with a little 24-page game called "The Extraordinary Adventures of Baron Munchausen." This year he has three new RPGs: the third edition of *Baron Munchausen*, now 144 pages and with *Fantasy Flight Games*; the all-new reboot of *Paranoia* from *Mongoose Publishing*; and his self-published odyssey through a nightmarish casino city, *Alas Vegas*. He's also the founder of the *Diana Jones Award*, chairs the annual *GameCamp* event in London, and writes a column for *Tabletop Gaming* magazine.

GEN CON PUZZLE HUNT XVI: THE RETURN OF JENN KAHN

WHAT'S GOING ON

We were all set to celebrate 50 years of Gen Con when something unexpected happened! The evil villain from the very first Gen Con Puzzle Hunt in 2002, the time traveler Jenn Kahn, reappeared and swore vengeance upon those who had beaten her fifteen years ago! Her method of destruction: going back in time and deleting the entire history of Gen Con. When we caught up to her, she had already eradicated eighteen years of Gen Con's past.

But because you are intrepid puzzle hunters, you can stop her. The remaining years of Gen Con have left you eighteen time-sensitive puzzles, each showing a memory from conventions past, scattered throughout the halls of the convention center. Save those years by solving their puzzles. Then, come up with the best completion of that task to secure time until the end of time (or at least the next puzzle hunt.)

IMPORTANT TIMESAVING(!) INFORMATION

Your first memory to examine is on the next page. Complete that 1967: Gen Con 0 puzzle and write your answer on *The Complete History of Gen Con (Abridged)*. If you solve just one puzzle, then you get a free entry into the drawing for a badge for Gen Con 2018, one of twenty badges we're giving away. For every three additional puzzles you complete, you earn another entry. That's up to 6 entries you can earn for a 4-day badge! And if you can come up with the most creative way to complete the final task and defeat Jenn Kahn by 3 pm Sunday, as judged by our team of Gen Con historians, then you will be rewarded with a 4-day badge.

You can check your answers and complete entry slips during the weekend at the Gen Con Puzzle Hunt booth, where our historians await your timely arrival.

PUZZLE HUNT HQ

Location: *At the intersection of Crossroads and Hoosier concourses*

Hours: *Thursday, Friday, Saturday: 10 am - 6 pm*

Sunday: 10 am - 3 pm

1967: Gen Con 0

It was five decades ago that Gary Gygax opened his home to his friends to partake in some games. In that initial year, called Gen Con 0, “attendees” were able to imitate melee combat through gaming whilst fulfilling the innermost needs of a gaming enthusiast. This quaint arena in Lake Geneva, Wisconsin was the ideal location for friends to simulate battles. Who knew that role playing soldiers, planes, tanks, and the like can evoke the greatest memories for decades to come? As you enjoy the weekend, find each five-letter word in this paragraph, search for a perfectly placed connection from sentence to sentence, and transport your written 1967 puzzle answer to the happy historians at Puzzle Hunt HQ.

The Complete History of Gen Con (Abridged)

Once you’re done saving 1967, search the halls for 17 puzzle placards. As you finish each placard’s puzzle and thwart Jenn Kahn’s plan to eradicate that year, record your answer on the appropriate blank below. You can bring them by Puzzle Hunt HQ to verify them during our scheduled hours. Use your answers to determine what you need to create for us to defeat Jenn Kahn and save Gen Con! Bring your creation to be judged by Sunday at 3 pm for your chance to win passes to Gen Con 2018.

They've now shared the stage with Counting Crows, PHOX, and Toad the Wet Sprocket. Adam Durtiz, of Counting Crows, tweeted of their album, Death Head, "it's like suddenly remembering all these good things I never want to forget." Come see them perform as a five-piece at Gen Con, then game with them afterward!

Captain Ambivalent is honored and humbled to be roving for his fifth year Saturday and Sunday, in this the 50th year of the ongoing orc genocide. Save the orcs!

INSTANT GAME SHOW

A roaming band of middle-aged vagabonds seek to entertain and confound one and all with gaming related trivia, lip sync contests, and more!

While you're roaming the hallways, keep your ears to the ground and your wits about you. Listen closely for the rumbling wheels of fame, fortune, and quizzical glory as ... Instant Gameshow is back! We've revamped, reloaded, and are ready for action. Featuring the members of the '40 Going On 14' podcast, what could go wrong?

APRYL KNIGHT

Apryl Knight is a multi-instrumentalist specializing in the exceptionally weird and obscure. Her current favorites are hurdy gurdy (an instrument that dates to at least the 10th century which she describes as a sort of ‘cheater violin for pianists’), bowed psaltery (a 20th century instrument based on ancient psalteries, but with a full chromatic range and played with bows), and Pianomonicon (her toy piano which she has modified and liberated from its original case).

Catch her in the hallways or at her table in the Entertainer Spotlight area of the Exhibit Hall to witness the firepower of her fully armed and operational instruments (OK, maybe not so much “firepower” as “sonic amazement”). You can also find her at Marc Gunn’s Comedy Cabaret concert on Thursday evening.

For more info, visit www.aprylknight.com, www.facebook.com/AprylKnightMusician, and twitter.com/apryl_knight.

MARC GUNN

Marc Gunn is a geek musician. He fuses his love of science fiction, fantasy, and comedy with his Scots-Irish heritage. You will laugh and smile to songs inspired from Firefly to hobbits, dragons to cats, to traditional Irish drinking songs. He’s topped the charts on iTunes and Amazon and won numerous awards. He is a leading innovator on his musical weapon of choice, the autoharp.

Gunn’s activities are not restricted to musical performance alone. In 2005, he transformed his popular Celtic Music Magazine into one of the first podcasts – Irish & Celtic Music Podcast, one of the earliest podcasts to go online and definitely one of the longest lasting. It is still published after 12 years and has won twice for Best Music Podcast in the Podcast Awards.

Gunn has an adventurer’s soul, he combines his love of travel with his love a music. Every year, he takes other adventuring souls on Celtic Invasion Vacations.

Pirates vs Dragons is Gunn’s new steampunk solo album with a riveting story about a musician shanghaied by air pirates to sing the glories of dragon hunting.

MAROONED

Marooned, the singing pirates of Gen Con return to bring their blend of pirate shanties, Irish ballads, and humor to Gen Con 50. How could any sea-dog worth their salt miss such a gala event? Hailing from the desert, these landlocked sailors have been delighting audiences for over twenty years with their combination of shanties, Irish ballads, and humor.

A mainstay of Gen Con’s atmosphere, Marooned has released their last three CDs here at the convention (claiming that the proceeds go to help further fuel their dice addiction). Listen for them as they wander the convention halls, or visit them at the Entertainer’s Spotlight in the dealer’s hall. They’ll be happy to see you and are always glad to favor you with a song. Catch a song, take a photo, or just stop by to say ahoy!

WATER STREET BRIDGE

Gentlemen, hold your hats upon your heads. Ladies, keep close your corsetry. Prepare yourself for the steam powered, funkied out, bluesy, pseudo slavik, old timey, americana, time-travelling antics of Water Street Bridge.

These veterans of stage and studio blend Celtic, blues, Americana, shanty, jazz, Creole, folk, art rock, reggae, comedy and original songs into something that can only be described as “eclectic acoustic.”

Brandishing an impressive arsenal of musical instruments (including guitar, resonator guitar, mandolin, ukulele, pennywhistle, squeeze box, flute, harmonica, bongos, doumbek, djembe, banjo, and bodhran - just to name a few) they bring new life to tales of old, old sounds to tales of today and twisted takes on tales never meant to be told. This AINT your mommas folk music!

THE IRISH BARD

Andrew McKee - The Irish Bard entertains with new and exciting arrangements of traditional Celtic & comedic folk music. A storyteller and weaver of dreams, Andrew brings to life a ceilidh atmosphere with music and stories for one and all. You will be intrigued, entranced, inspired, and amused by his rhythmic audacity and melodic mischief. So join The Irish Bard for Celtic folk, filk, and fun!

RETURNING ARTIST BRIAN COLLINS

ARTIST GUEST OF HONOR DONATO GIANCOLA

ABOUT DONATO

From *Dungeons & Dragons' Keep on the Borderlands* to Gericault's *Raft of the Medusa* in the Louvre, Donato's influences encompass the museums of the world to the well-trodden steps of the local games store. Art was always a hobby to Donato, as a young man he would steal away into the basement of his parent's home to draw his own dungeon and campaign maps, paint lead figurines, read comics, and construct model starships. Fully immersed in imaginative play Donato even constructed his own, crude, suit of plate mail! At the age of twenty he enrolled in his first formal art class: the beginning of a career as a professional oil painter.

The struggle to develop and hone his skills has not diminished in the 25 years as a professional, there is a constant need and passion to see what lies around the corner in his artistic and imaginative development. This drive has resulted in Donato being one of the most respected and heavily awarded artists in the field of Science Fiction and Fantasy with twenty-two Chesley Awards, three Hugos, a life time Achievement Award from ASFA, two gold and six silver medals from *Spectrum*, and boxes full of ribbons and recognition from scores of conventions. Donato's dedication to the craft of art has gained the admiration and attention of galleries and collectors alike, all the while sharing his passion with the next generation of talent at the School of Visual Arts, online through the SmArt School, and at the illustration Master Class.

Donato's current projects range from book cover illustrations to private commissions to personal projects on empathetic robots and the fantastic worlds of J.R.R. Tolkien and George R.R. Martin.

Donato lives in Brooklyn, New York with his wife and two daughters.

For more information on Donato and to view his work, visit his website donatoart.com.

AUCTION

Raise your hands! It's Auction time at Gen Con! Whether you are looking for some new loot, trying to make space for new games, or simply wanting a good bargain, the Auction area is the place for you.

HERE IS HOW IT WORKS . . .

BUYERS

Registration: When you arrive at the auction, simply pay \$1 and you will be issued a card with your unique bidder number.

Bidding: Hold your card up! When you see an item you want, hold your card high in the air with your number facing the stage and KEEP IT UP for as long as you are interested. If you hold your card up for longer than other bidders, you win! It's that easy!

Payment: You can pay for each item as you win, or you can open a tab for the day by leaving credit card information or a refundable \$50 deposit. If you open a tab, Gen Con will store your winnings until the end of that day's session.

Consignment Store: You can visit the Consignment Store at any time without needing a card. Anyone with a Gen Con 50 badge can enter and purchase as much as they like without registering with the auction.

SELLERS

Item Drop-Off: Consult the schedule for Auction and Consignment Store item drop-off windows. Auction items must be registered on gencon.com prior to the show. No unregistered auction items will be accepted unless approved by the auction manager as an exception.

Payouts: There are three options for receiving payment from your sold items: Any time after your item is sold through Saturday at 7 pm; On Sunday from 10 am - 2 pm, or if you don't pick up your payout on-site, Gen Con will automatically mail you a check.

Unsold Items: Unsold items should be picked up on Sunday from 10am-2pm. All unsold items not collected by 2pm on Sunday will be donated to charity.

Consignment Store: No pre-registration is needed, and putting items up for sale in the Consignment Store only costs a buck! Get in early so your items can be on display for up to three full days. You can choose to lower the price each day to entice eager shoppers to buy your item, after it goes on-sale.

THE NATIONAL SECURITY DECISION MAKING (NSDM) GAME

is a fast-paced, challenging political-military-economic simulation of strategy and geopolitics providing insight into cultures,

political processes, geopolitical situations, and exploring the challenges of nations around the world. NSDM originated at the U.S. Naval War College and is based on games used by senior U.S. Government officials to explore geopolitical options. It has been presented at the U.S. Air University, National Defense University, Marine Corps Intelligence Activity, the Rochester Institute of Technology, Ashland University, Ball State University, and has been at every Gen Con since 1992.

NSDM is part seminar game and part live-action role play. Most find NSDM intellectually stimulating, vigorously competitive, and unlike any other gaming opportunity they have ever had. Every game has new scenarios, new countries in play, and new challenges.

Each player is assigned a role within a nation's decision making structure, from which he or she can affect the formulation of national policy in that nation in order to advance his or her assigned personal objectives.

SPA PROGRAM

GET CRAFTY: SPA PROGRAM

With hundreds of events, this group of non-gaming activities has something for everyone. Whether you want to take a traditional crafting class, get moving in one of our active classes, or go on an adventure, you've got plenty of options. Look for the SPA icon in the Event Chart in the back of this book to discover all the possibilities.

You'll find a huge variety of traditional crafting classes, including knitting classes, crochet classes, and beginner friendly jewelry classes. Not sure where to start? Look for interesting and unique classes from the groups Creative Arts Teaching Seminars and Crafty Gamers.

Ready to get warmed up and get moving? Try one of the exercise events, such as the daily K Pop Dance Fitness classes, or our always popular belly dance classes. Need to calm down and get focused? We have multiple yoga classes daily. And if you need to get into character, there's a variety of basic hand to hand, sword, and staff fighting classes.

If you'd like to explore the city, there are multiple downtown Indy "Catacombs" tours, from the group Indiana Landmarks. If you'd like something a little scarier, join Chaos Haunted & Historical Tours for one of their many downtown Haunted Walking Tours. And if you're thirsty, look up the Indy Brew Bus group for their very popular Bus Brewery Tours.

One of the cornerstones of the SPA program since its creation has been the group Dancing and Dragons, led by professional dance instructors. Any of their classes are recommended to learn a variety of steps, including tango, waltz, swing, and salsa. We've got plenty of other dance classes too, just check the events chart. If you'd like to put those dance class skills into action before the actual dance, there's even a ballroom practice party on Saturday night, prior to the dance. Event ID: SPA17103674.

After the winners are announced in each category, they'll be brought on stage briefly for judging in the "Best of Show" category. All winners are eligible for this judging.

REGISTRATION

Advance registration is highly recommended. The costume contest is limited to 70 entries. If any category receives 16 entries, that category will be closed. Entries will be accepted on a first-come, first-entered basis. When the contest reaches capacity, a waiting list will be created. Entries on the waiting list will be admitted to the contest if a registered entry drops out or does not appear at check-in.

To register, fill out the form on the next page. This form does not register you for the convention—only the costume contest. **A valid convention badge and two generic tickets will be required when you sign in at Costume Contest Check-In. Cash will not be accepted!**

Emcee Introduction: REQUIRED! Our emcee will introduce you as you appear on stage. Write a short introduction for yourself that you would like the emcee to read. Type it or write it neatly and attach it to your entry form. This is your chance to impress the judges; include a description of the construction of your costume. This description is limited to 100 words. Gen Con reserves the right to edit material.

On-site entries: If you must register on-site, fill out the entry form (your introduction for the emcee **must be attached** and typed or neatly written) and drop it in the "Costume Contest Entry" box located at the Information Booth by 9 am on Saturday. If you miss this deadline, come directly to **Costume Contest Check-In in the 500 Ballroom Foyer** and staff will determine if there is room for you.

Contestant Check-In: All contestants must appear at Contest Check-In. Mailing or dropping an entry form reserves a space for you, but you are not officially registered until you appear at check-in. Contestants who do not appear at check-in (see times below) are considered dropped. Check-in takes about 30 minutes. Your emcee introduction is required at check-in.

COSPLAY

Cosplay, or costume play, is the art of dressing up to portray a character. Attendees dress up as a variety of characters, from their favorite TV series, comic books, and games.

This year, Gen Con will present over 40 hours of programming related to cosplay, including costuming workshops, seminars on presentation and cosplay etiquette, and the popular Crossplay Contest. Much of the Cosplay programming this year is located in the Crowne Plaza, room Grand Central Station A.

COSPLAY GUEST OF HONOR CARL MARTIN

Our Cosplay Guest of Honor for Gen Con 50 is Carl Martin of Shinka Studios Shinka Studios

Carl Martin, owner and operator of Shinka Studios, is a Professional Prop Maker and Cosplayer from Texas. Well known for his appearance on Heroes of Cosplay, Carl travels the United States and other countries as a cosplay guest, judging contests,

teaching and running panels, and using his years of experience to better the cosplay community.

Carl will be participating in a variety of programming during Gen Con, including "Monster Making with Carl" (WKS17112079), Prop Building, and Proper Undergarments for Cosplay. In addition, he will be one of our Crossplay Contest Judges.

BRIT BLISS

Brit Bliss is a cosplayer, avid gamer, and model from Columbus, OH. *Maxim* Magazine launched her career when they published her in their both their print and online magazines. She has also been seen in *PASMag*, *FIGHT!*, *RacerX*, and many others.

Brit started to make her own costumes to attend comic conventions and fell in love with it, even drafting a lot of the patterns she used to create something truly unique for herself. Each new character presents a unique challenge in order to keep testing and improving her abilities. What was once a hobby has now become a lifestyle for her. Since starting, she has grown a fanbase of over one million people on Facebook alone.

MOGCHELLE COSPLAY

Mogchelle has won countless awards for both craftsmanship and performance, starting as a novice, and working her way up to the master level of competition as of 2003. In 2012, she reached international award status by competing at the World Science Fiction Convention, where 2 awards were won, Best Re-creation, and a special Golden Quill award for a custom set of angel wings. Mogchelle will be coordinating the cosplay program, as well as participating in many cosplay workshops and seminars.

CROSSPLAY CONTEST

The 3rd annual celebration of gender expression and diversity at Gen Con. Crossplay has always been a massively popular way to express love for a character of the opposite sex, and this contest is your chance to showcase YOUR crossplay work! Now with rule 63 (gender bent cosplay) as well! The Gen Con crossplay contest is part costume contest, part expression of creativity, and all FUN! To participate, you can simply show up onsite or stop at the cosplay program area in Crowne Plaza, Grand Central Station A for further information.

GAMES FOR NEW ATTENDEES

WELCOME

If you are coming to Gen Con for the first time, **welcome!** The team is glad that you're here!

If you've attended conventions before such as a comic or smaller gaming convention, you might be used to a model of having one large Exhibit Hall and a few main event stages. Gen Con operates differently from other conventions, primarily in that there are more than 19,000 events for attendees!

You may be surprised to learn that while Gen Con has an Exhibit Hall with 500+ companies, that's only part of the Gen Con experience. Some attendees will participate almost exclusively in events, gaming around the clock, with only a few stops to the Exhibit Hall.

With thousands of events to choose from, Gen Con has something for every gamer! For new attendees, it can be a bit daunting to select where to begin, and the following pages provide easy suggestions for new attendees or Gen Con veterans that have yet to try events.

Go to the Event Registration kiosk near Customer Service or to any of the Event HQs, located in Hall A, C, and in Lucas Oil Stadium, to register for events. You also can sign-up for events at gencon.com, then pick up your tickets two hours later via Will Call pick-up.

Get started and get gaming! Having fun or discovering new games? Post your experiences with #trynewgames!

GENERIC TICKETS

One great way to try events is to use Generic Tickets. Generic tickets cost \$2 each and may be used in place of an event ticket, although they don't guarantee a seat at the event. Think of them as "carnival tokens." If there is an event you really want to get into but were unable to get a specific ticket for, you can use generic tickets to attempt access to the event onsite, if there becomes extra space.

Show up 10 minutes early to the event you want with generics, and you may have a chance of getting into a previously "sold out" event. You will need to have enough generics to cover the cost of the event you are attending, meaning if the event costs \$6, you will need three generic tickets to cover the cost of the event. Some events take only generic tickets; this is indicated in the event details.

It's never a bad idea to have generic tickets, just in case you want to jump into a game. Generic tickets can be refunded as system credit, less applicable fees for use later or at another Gen Con.

MASQUE OF THE RED DEATH

Players are guests at Prince Prospero's lavish masquerade. But some players serve the Red Death and are trying to eliminate as many other players as possible by getting them cast out of the party or by simply killing them! The other team is attempting to cast the Red Death out of the party before too many succumb to the plague. In addition to these team goals, each player has an individual goal to achieve a variety of powers and abilities to assist them. For example, they may have a vendetta against another character or are searching for a certain treasure. What is unique about Masque of the Red Death is that players are never fully eliminated from the game, they may simply obtain a status that limits them. Frozen in place by a spell? That's only temporary. Cast out of the party? You can possibly bribe your way back in. Dead? Perhaps a necromancer can make you undead?! **\$4**

to play Friday and Saturday late night at midnight in the Omni : Fisher Ballroom.

Freiburg Haunting sets up the events of the weekend by introducing the Heroes to Eisen and a strange mystery occurring around Freiburg. The Heroes must decide how best to handle what they find. This event will lead into the final event, Council of Princes, and Hero actions will influence story elements. Explore the dark forests of Eisen in an afternoon of swashbuckling adventure. **Thursday and Friday at 2 pm for \$30 in the Omni : Fisher Ballroom.**

DUNGEON! WITH DESIGNER DAVID MEGARRY

Dave took part in playing in Dave Arneson's original Blackmoor, a game that used the Fantasy Supplement of Gary Gygax and Jeff Perren's Chainmail Medieval miniature warfare game. He playtested, provided design input, wrote several articles, and variants for the game. This is your chance to learn to play Dungeon! from the original designer, David Megarry! After a brief introduction on the history of the game's design, David will lead up to 20 players simultaneously on 4 boards! And, if that wasn't enough, all games will be played on the actual ping pong table from Dave Arneson's basement where Blackmoor was played and where Dave Megarry first introduced his game of Dungeon! **Tickets are \$4 or two generics, with multiple sessions, located in Lucas Oil : Field : Horticultural Hall : 32.**

DON'T HAVE AN EVENT TICKET?

SHOW UP WITH GENERICS

Many events can squeeze in a few extra players and not all players show up for their games, so if there's an event you *really* want to play but it's sold out, you might want to get a few generics and see if you can get in. Generic tickets can be used for any event with open space. You just need to use an equal value of generics for the event, so if it a game costs \$4, you can use 2 generic tickets (\$2 each) to play in it.

Please remember that generic tickets can only be refunded for system credit and must be returned by Sunday at 4 pm.

Register for events

up your tickets at Will Call,
24-hours a day!

HOW TO READ THE EVENT CHARTS

Events are listed in order of their start day and time, event type, and then title.

The description for each event lists the title, detailed description, maximum number of players, GM or host of the event, minimum age and experience required, and whether materials are provided or you will need to bring your own.

REPEAT EVENTS

Events that are run multiple times only have their description listed once. Later sessions refer back to the original listing for full details and descriptions.

For example, if you found an event that said "For description, see first occurrence on Thursday at 8 am" that means the event is being repeated and you will need to flip back to get the full description.

AGE REQUIRED

The minimum age for an event is self-reported and enforced only by the GM of that event. You can use this to gauge what events may be suitable for you or your family, but Gen Con is not responsible for the content of games that other organizations and individuals run at the convention. Remember to take the age rating into consideration before joining an event.

EXPERIENCE REQUIRED

This indicates how much experience you will need with the game to play in the event. "None" indicates that rules will be taught as part of the event, so it should be completely suitable for newcomers. Please take careful note of the experience required for an event – some games do require extensive understanding of the rules and will not be paused to explain the rules.

MATERIALS PROVIDED

If materials are provided, you do not need to bring anything to the game (though it's *always* a good idea to bring a pencil, paper and some extra dice). Characters, game pieces, miniatures, maps, etc. should all be provided for you by the organizer. If materials are *not* provided, then you will need to bring your own armies, characters, cards or even the whole game.

LOCATION

This column lists the building, room and table (if applicable and in that order) that the event will be held at. ICC stands for "Indiana Convention Center." *Hyatt : Studio 1 : 1--2* means that event is held on tables 1 and 2 in the Studio 1 room in the Hyatt hotel, for example.

Some rooms or table numbers may also include a color (*White 13--17*) or company name (*Mayfair Games*). This refers to a region within a larger room (such as a big hall) which should be clearly indicated on a map or with signs or tablecloths in the area itself. If an event lists an HQ instead of a table number, you need to check into that HQ before your event to find out exactly what table your game is at.

THOUSANDS OF EVENTS TO CHOOSE FROM – BUT THAT'S NOT ALL!

For a complete and up-to-date listing of all events, you will want to visit the web site: www.gencon.com/event_finder

If you have any questions or need to confirm event details, ask at any Event HQ.

WEDNESDAY EVENTS

There are a ton of **completely free games in Union Station**. Events will run all day, but most of them will take place between 6 pm and midnight. **Trade Day** events for retailers and educators are in the JW Marriott again, and a schedule is available at the HQ there.

SOLD-OUT EVENTS

Many sold-out events are not listed, though many small events were kept (such as RPGs, or smaller games from premier groups) to allow for replacement players, if needed. **If you don't see many events for a popular game, they might have filled up and you'll want to check online** for times when you can show up with generics and try to squeeze in if someone doesn't show.

LATE EVENTS

New events continue to be submitted right up through the show, so check online for the latest additions. The games you were looking for may have simply been submitted late. **By the time the convention starts, they may be a thousand more events** that didn't make it in time to be included.

EVENTS & UPDATES

Events may be canceled, moved, or changed between when the program guide is printed and the convention itself. The web site is always the most current and accurate listing of events.
